About BC Office Fund:

BC Office Fund is Brazil's largest publicly-listed real estate investment fund (known locally as Fundo de Investimento Imobiliário or just FII) and its shares have been traded on the BM&FBOVESPA since its December 2010 IPO. The Fund was created for the primary purpose of actively managing a portfolio of investments in high-quality commercial real estate properties located in Brazil and in securities related to real estate, or, together, the Target Assets. BC Office Fund's portfolio may include completed or nearly completed commercial real estate located in Brazil's leading commercial centers.
